

SPONSORSHIP PROGRAM

Sponsorship Program

Delivering healthy food and fresh ideas for those who need it most

+BOX partners with local farms, food rescue organizations, and neighborhood schools to provide food insecure children and families with boxes of fresh, healthy, nutritious food on a weekly basis. +BOX provides essential nutrition to more than 700 families each week across 14 San Diego area communities.

+BOX is based in Carlsbad and is supported by a dedicated corp of 500+ volunteers who join us at our warehouse weekly to pack and prepare boxes for delivery to our school and community partners.

We invite you, your company, and your employees to join us in adding to the world through our sponsorship program.

Don't see what you're looking for? We are open to all ideas! For more information about the +BOX Sponsorship Program, please contact our Development Manager by email at kayla@equationcollaborative.org or by phone at (619) 206-7343.

*Company flyer placement and distribution via +BOX boxes is for public service and education purposes only. The nature of our work prevents us from distributing special offers or marketing commercial products or services via our boxes. +BOX will review all materials prior to placement in boxes to determine their appropriateness for distribution to +BOX program families via boxes. +BOX will place fliers in up to 5,000 boxes across all eligible sponsorship levels (approx. 6 weeks of distribution across all 14 communities.)
